Builder Paynter Dixon

Architect Wayne Blow and Partners

Consultant Craig and Associates

Memorial
Inground Triangular Tiles
46 x 20mm laminated glass.
Black Granite columns
In-ground Line Projectors to all sides of the columns.

Lest we forget
Backlit halo sign.

Sign Feature wall
In-wall beacons lead the eye towards the sign.

Memorial Bollards
2 x floor washer projectors per bollard.
Low glare with a smooth vertical face.

Entrance
Water Features
Adjustable twin head fixtures to aerated jets.
Wide angle pond base fixtures to spa type bubble jets.

Airlock Star ceiling
900 x 0.75mm fibre optic points with multifaceted dichroic colour filter system.

Dome Surround
Lead crystal feature lights projecting star patterns, dual colour wheel
DMX control with more than 30 colours plus blanking.

Points sequenced, providing chasing and rotational flow to extend the design possibilities.

Main Club
Southern Cross Bar
Star ceiling and infloor uplights
1,300 wide angled lensed points scintillating in shades of blue and white.

Five illuminated bronze star shaped uplights in the shape of the Southern Cross are set into the terrazzo floor.

Ground Floor Coffee Shop
End points project constantly changing patterns of light behind perforated brass feature panels.
